WELCOME MESSAGE

Dear friends,

The Udaipur Arthroscopy Association, is pleased to announce its 4th annual academic meet "The Udaipur Arthroscopy Course 2026" on March 14 and 15, 2026. The last few years have witnessed this academic event to rise up to be a much awaited, thoroughly academic event marked by the presence of renowned national faculties and participation of professionals specially interested in Arthroplasty and Arthroscopy procedures. The coming event promises an excellent academic program that would include interactive sessions and some intense debates over many controversial practices that we frequently come across but still yearn for answers. Many renowned faculties of Arthroscopy and Arthroplasty are descending on to Udaipur to perform surgeries and sharing their experiences with the audience. The Udaipur Arthroscopy Course in 2026 beckons you all and promises to be an academic extravaganza which it always has been. Looking forward to your presence in this much awaited academic event
