## ARTHROSCOPY & ARTHROPLASTY

### COURSE 2025

## WELCOME MESSAGE

Dear friends,

The Udaipur Arthroscopy Association is all set to welcome you to this academic extravaganza, the Udaipur Arthroscopy and Arthroplasty Course 2025, which is basic at its core and latest at its best. As in the previous editions of this course, our master faculties from all over the country are geared up to descend in Udaipur, the beautiful city of lakes, to demonstrate the latest tips, tricks and techniques to the participants in a series of interactive live surgeries and discussions relating to both joint preservation and reconstruction. This conclave is intended to be a great platform for free and frank exchange of knowledge, candid discussions and informal interactions between the more experienced ones, besides providing new insights to the young budding orthosurgeons. Udaipur, the city of lakes as it is, has moved fast to be a healthcare hub and our endeavour is to enable it to make its mark among the specialised hubs of quality healthcare in Orthopaedics. We on behalf of all the UAA members, extend a warm invite to you all to celebrate knowledge, skill and excellence and ensure your participation in the Udaipur Arthroscopy and Arthroplasty Course 2025.

With best regards,

Dr. Harpreet Singh  
Org. Chairman

Dr. Suryakant Purohit  
Org. Secretary

Dr. Saumya Agrawal  
Jt. Org. Secretary

Joint efforts: Enhancing skills with scope
